The Application Process

Please complete the Application Form included in this pack and then forward it to the General Manager for processing. Details of your proposed membership will be posted on our noticeboard for twenty-eight days (following the GM interview) to allow existing members the opportunity to confirm your suitability.

You will be contacted by the office to arrange an initial meeting with the General Manager so that they may discuss your application and the options available to you. Based on this meeting you may then be invited to a 8-Hole Playing Interview and then finally an interview with the Membership Committee, who will decide whether to propose your election for membership to the Club Board.

Your membership application will then be put to the Club's Board for acceptance at the appropriate meeting and, assuming that your application is successful, an invoice will be provided detailing the fees required and sent out to you with the start date of your membership. If you do not know any current members of Sandiway Golf Club to propose or second your application, please still complete the form and the Board will consider your application on merit.

Once your membership has been confirmed, and your subscriptions paid, a welcome pack will be made available for collection from the Office containing:

Your Invoice, Welcome letter, Your Sandiway members Bag Tag to confirm your membership, Your Membership Card which allows access to the club's security door system and provides discounts on food and beverages, Club Diary and Fixture List & New Members Guidance Notes.
